

June 1904.

NOTICE.

In consequence of the wish of the Ambleside Conference that a change should be made in the nature of "L' Umile Pianta," and that it should appear as a monthly leaflet, all students are requested to send *at once* a post card vote answering the following:—

(1) Do you wish "L' Umile Pianta" to appear monthly as a leaflet?

(2) Do you wish for a new Chief Editor; if so, who?
Answers must reach the Editor directly, so that steps may be taken as to printing, &c.

Should the new issue be determined upon, the first number will appear in September.

All post cards, &c., should be addressed to the Editor at Mayfield, Maidstone, as illness at home detains her there for the present.
